James Egozi is an internationally recognized racing driver within the world of karting. Dedicating 10 years to the sport, he won multiple National Titles in the United States before moving to Europe in pursuit of his goal.

Since his arrival in Italy, as a factory driver for the Tony Kart Racing Team, he added to his already stout list of accomplishments by becoming the WSK Open Cup OKJ Champion and followed it up with the WSK Super Master Series OK Champion in 2023.

There have been numerous publications and interviews on Motorsport websites, magazines and social media pages reporting his achievements to date. It comes as no surprise, in his short time driving formulas, he has already topped speed charts and made more headlines. Most recently, James finished 5th [2nd Rookie] at Paul Ricard in Round 5 of the F4 Italian Championship. There is no doubt, he is ready to emerge in the world of single seaters, never waivering on his vision to excel through the ranks and one day become a Formula 1 World Champion.

As an added bonus, James is often a go-to for interviews. He is socialable, professional, intelligent and always makes himself available for the camera.

He is truly a great asset to any brand!
